Dear Parent/Carer

Careers Information and Guidance at Accrington Academy (CIAG)

As part of Accrington Academy's ongoing commitment to delivering outstanding careers guidance, we have launched a new programme called "Aspirations" for students across all year groups. This programme allows us, as a school, to gain an understanding of the careers and aspirations our students have in mind and to ensure we can then guide them appropriately.

With National Careers week approaching on Monday 2nd March we are looking to build up a directory of people in as many different jobs and professions as possible who would be willing to give an insight into the different roles they carry out. If you feel you would be happy to be contacted or to speak to a group of students about your profession, please complete and return the slip below to your child's tutor. We would be grateful to receive your support as we recognise we have a wide variety of skills amongst our parent community. If you state that you would be willing to be involved, we will endeavour to contact you in preparation for NCW.

If you would like to access up to date information about the labour market, please follow the link below
<https://www.ons.gov.uk/employmentandlabourmarket>

Thank you in advance

Yours sincerely

Miss H Gregory
Associate Assistant Principal

Please return to Form Tutor
